Summary: Important details regarding IB 25-31 Implementation Update – SBHS Fee Schedule Rate Revisions

As outlined in the **November 5, 2025** revised [Informational Bulletin 25-31](#), Louisiana Medicaid updated the [Specialized Behavioral Health Services \(SBHS\) fee schedule](#) in alignment with ASAM 4th Edition changes that became effective **January 1, 2026**, for beneficiaries who are 18 or older. IB 25-31 required AmeriHealth Caritas Louisiana to update our claims processing systems to properly adjudicate ASAM services at the new rates and within the new age brackets by **February 3, 2026**, and to recycle all impacted claims within 15 days of implementing the system changes.

AmeriHealth Caritas Louisiana updated its claims processing systems to adjudicate ASAM services at the new rates reflected in the SBHS fee schedule **prior to the January 1, 2026, effective date**; however, we identified an error in how claims are adjudicated specifically for codes **H2034** and **H2036**.

What do you need to do?

Providers do not need to take action. AmeriHealth Caritas Louisiana is updating its claims system for codes H2034 and H2036 and will complete these updates before the **February 3, 2026** deadline. AmeriHealth Caritas Louisiana will recycle impacted claims within 15 days of the system update.
